FCPN New Member Orientation
HIV Prevention and Patient Care Overview

Clayton Weiss, Interim Patient Care Manager
Mara Michniewicz, MPH, Prevention Manager

Florida Department of Health
Bureau of Communicable Diseases
HIV/AIDS Section

October 1 and 2, 2018
Florida’s Plan to Eliminate HIV Transmission and Reduce HIV-related Deaths

Public Health System Collaboration

• State Health Improvement Plan 2017-2021

• Florida Department of Health Strategic Plan 2016-2018

• State of Florida Integrated HIV Prevention and Care Plan, 2017-2021
Florida’s Plan to Eliminate HIV Transmission and Reduce HIV-related Deaths, *continued*

### 4 Key Component Plan

- Implement routine HIV and STI screening in health care settings and priority testing in non-health care settings

- Provide HIV testing, rapid access to treatment and ensure retention in care (Test and Treat)

- Improve access to antiretroviral pre-exposure prophylaxis (PrEP) and non-occupational post-exposure prophylaxis (nPEP)

- Increase HIV awareness and community response through outreach, engagement, and messaging
Florida Health Performs Focuses on Big 7

- Childhood vaccines
- Health equity
- Trauma services
- HIV infections
- Infant mortality
- Inhaled nicotine
- Licensure time

Florida Health Performs 2016–18

Friday, February 24, 2017
Florida HIV/AIDS Program Coordinators

Updated August 24, 2018 * Acting
