Reasonable Cost-Sharing Plans

• **Florida Blue**
  - All HBV drugs on Tiers 1 and 2
    - $20 and $70 copay
  - All HCV drugs on Tiers 2 and 3
    - $70 and $100 copay
  - Prior authorization for 11 brand drugs

• **United**
  - Hepatitis drugs on Tiers 1-4
    - Copays $10, $40, $80, $160
  - Prior authorization for 10 brand drugs
Varied Cost-Sharing

- **Florida Health Care Plans**
  - Most HBV drugs on Tiers 2 and 3
    - $10-27 copay range
  - 2 HBV drugs and all but one HCV drug on Tiers 5 and 6
    - 20% coinsurance for both tiers
  - $400 Rx deductible

- **Molina**
  - HBV drugs on Tiers 1-4
    - $15 or $50 copay, 30% coinsurance for Tiers 3 & 4
  - All but one HCV drug on Tier 4
    - 30% coinsurance
  - Prior authorization for all but one hepatitis C drug
High Cost-Sharing Plans

• **Aetna** – 5 HBV and all but 1 HCV drug on Tiers 4-5
  – 40% and 50% coinsurance
  – $500 Rx deductible
  – Prior authorization for 6 drugs

• **Ambetter** – Almost all hepatitis drugs on Tier 4
  – 30% coinsurance
  – $1,000 deductible
  – Prior authorization for almost all, including three generics
High Cost-Sharing Plans

• **Assurant** – All hepatitis drugs on Tier 2
  – 100% patient cost until $3,500 deductible met
  – No cost-sharing after deductible
  – Information on individual drug costs unavailable

• **Cigna** – All brand hepatitis drugs on Tier 5
  – 30-50% coinsurance
  – $2,750 deductible
  – Prior authorization for 5 hepatitis drugs
High Cost-Sharing Plans

• **CoventryOne** – All hepatitis drugs on Tiers 4 & 5
  – 40% and 50% coinsurance
  – $500 Rx deductible
  – Prior authorization for most

• **Health First** - All hepatitis drugs on Tier 5
  – 30% coinsurance
  – $500 Rx deductible
  – Prior authorization for all
High Cost-Sharing Plans

• **Humana** – Almost all hepatitis drugs on Tier 5
  – 40% or 50% coinsurance, depending on network
  – $1,500 Rx deductible
  – Prior authorization for 7

• **Preferred Medical Plans** – Almost all brand hepatitis drugs on Tiers 4 and 5
  – 50% coinsurance
  – $1,500 Preferred Medical
  – Prior authorization for most
Other Access Barriers to Hepatitis Rx

- Widespread Prior Authorization requirements
- Quantity Limits
- Formularies excluding many drugs including new curative hepatitis C treatments (Sovaldi, Harvoni and Viekira Pak)
  - 3 plans do not cover any of them (Aetna, Molina, Preferred)
  - Only 3 plans cover all (Florida Blue, United, CoventryOne)
