Integrated Plan Vision: 
To be the Healthiest State in the Nation

Integrated Plan Mission: 
To protect, promote & improve the health of all people in Florida through integrated state, county, & community efforts.

Integrated Plan Values: 

Innovation: We search for creative solutions and manage resources wisely.
Collaboration: We use teamwork to achieve common goals & solve problems.
Accountability: We perform with integrity & respect.
Responsiveness: We achieve our mission by serving our customers & engaging our partners.
Excellence: We promote quality outcomes through learning & continuous performance improvement.

Group: - Integrated Plan | - Statewide Integrated Plan

Initiative Reduce new HIV transmissions

1: Goal 1.1: 1.1.A. Expand routine HIV screening in health care settings (for example, hospitals, health centers, and emergency departments) as part of medical care

Objective 1.1.1: By December 31, 2021, increase the proportion of HIV-infected persons who know their serostatus from 87.2% to 90%

Objective % Done: 90% Activities Sum: 0

Notes: 87.1% (2018) 86.5% (2017)
