Florida Population by Race

Percent of General Population

- WHITE: 60%
- BLACK, NON-HISPANIC: 14%
- HISPANIC OR LATINO: 22%
- OTHER: 4%

The Adult Trans Population of Florida is estimated to be 100,300. We strongly suspect these results underestimate Florida’s transgender population both in size and the rate in which metrics of discrimination are experienced. Florida’s transgender population is largely located in Broward, Miami-Dade, Orange, Pinellas, and Hillsborough counties.

Percent of Trans Population

- WHITE: 50%
- BLACK, NON-HISPANIC: 19%
- HISPANIC OR LATINO: 26%
- OTHER: 4%

Florida Trans Population Estimate by Race (♂ = 2,000)

- WHITE (50,000)
- BLACK, NON-HISPANIC (19,000)
- HISPANIC OR LATINO (26,000)
- OTHER (4,000)
